My success is measured by my ability to please. If you are pleased your next order will tell me so. Tell your friends about my collection. My prices are low considering the kind of roots I send. If you are not satisfied tell me; do not tell your friends until you have given me a fair chance to treat you right.

Correspondence solicited for special quotations on quantities of 100 to 1,000 of one or more varieties—not less than 100 plants of each variety.
